The scuttlebutt on local business ...

## **The Inn crowd**

As part of a new venture, Carbondale, Colo.-based Timbers Resorts and PlumpJack Group have reached an agreement to work in partnership on several current and future projects. Timbers Resorts has taken over management of the real estate operations at **The Orchard**, a private residence club located within PlumpJack's renowned boutique resort, **The Carneros Inn**. Now a part of the Timbers Collection, The Orchard comprises 17 luxury cottages set within the resort.

Additionally PlumpJack will manage the overall hospitality operations, spa and Truffle Pig restaurant for Timbers Resorts at One Steamboat Place in Steamboat Springs, Colorado. Future collaborations will include the residences at the new PlumpJack Squaw Valley Inn following its spring 2010 renovation, located at the base of the Squaw Valley USA and a Timbers Resorts oceanfront private resort in Mexico.
